

Electronic Communication Agreement

Statement of Electronic Disclosure

In order to electronically review and retrieve the documents related to your account(s) with Stake Network, Inc. ("Stake") and delivered to you in connection with this request for consent (Documents), you will first need to review and accept this consent form. Your consent applies to all documents, disclosures, notices, and communications related to your account(s), both now and in the future, unless you withdraw consent

With your consent, Stake can deliver Documents and other disclosures and contracts related to your account(s) to you by displaying or delivering them electronically, and requests that you print or download them and retain them for your records.

This notice contains important information that you are entitled to receive before you consent to electronic records and electronic signatures in connection with your account(s) at Stake. Please read this notice carefully and print or download a copy for your files.

After you have read this information, if you agree to receive and accept the Documents from Stake electronically, and if you agree to general use of electronic records and electronic signatures in connection with your account(s) at Stake, please acknowledge your acceptance of this consent by checking the box before you are able to continue with your application. In doing so, you are providing your affirmative consent to use electronic communications. By checking the box, you are also confirming that you meet the system requirements described below, that you have demonstrated your ability to receive, retain, and view electronic documents on your access device, and that you have a current email address.

Right to change back to non-electronic delivery of statements. We do not support requests for paper copies, but we offer electronic delivery of statements. If you withdraw consent, we will close your account and return any remaining balance to you.

You agree to print out or download the Documents and keep them for your records. If you have any trouble printing or downloading any of the Documents, you may contact us via Email at hello@stake.rent or Text 206-385-4044 or Call 906-254-5135

If you wish to change your notification email address, or withdraw consent, you may do so within the mobile app, by logging in to your account through our website, Email at hello@stake.rent or Text 206-385-4044 or Call 906-254-5135

In order to access the Documents electronically, you must have:

- A computer or mobile device with an Internet connection
- We support personal computers, Android and current iOS platforms for both phone and tablets; and all modern web browsers.
- The ability to view and retain Portable Document Format (PDF) files

- An email address
- Either a printer, hard drive or other storage device

You represent that you have the hardware, software, email address and capacities described above, and your ability to read this Consent demonstrates that you have the necessary hardware and software to receive Communications electronically.

Your consent does not mean that the Stake must provide all Documents related to your account(s) electronically. Stake, at its option, may deliver documents or otherwise communicate with you on paper if it chooses to do so. Stake may also require that certain communications from you be delivered to Stake on paper at a specific address.

I have read the information about the use of electronic records, disclosures, notices, and email, and consent to use of electronic records for the delivery of documents, including disclosures and other notices, in connection with my account(s) at Stake. I have been able to view this information using my computer and software. I have an account with an Internet Service Provider, and I am able to send email and receive emails with hyperlinks to websites and attached files. I also consent to the use of electronic records and electronic signatures in connection with my account(s) to Stake in place of written documents and handwritten signatures.

Important: Please print and retain this consent and authorization.
